OUR WORKSHOP

COMPANY PROFILE

Founded in 2014, Xuzhou Jianmei Glass Products Co., Ltd. is a premier manufacturer located in Jiangsu Province, specializing in high borosilicate heat-resistant glass products, glass instruments, glass bottles, bottle caps, and decorative glass items. Our state-of-the-art facility spans 40000 square meters and is equipped with 100 advanced production machines, supported by a skilled workforce of 200 dedicated employees. We have the capacity to produce up to 200,000 pieces daily, ensuring efficiency and quality in our offerings.

In recent years, we have strategically expanded our international market presence, focusing on exporting premium glass products globally. Our primary markets include North America, South America, Europe, and Oceania. We offer flexible order customization, comprehensive order fulfillment, OEM production, sample development, and streamlined approval processes. We proudly serve a diverse clientele, including Amazon store owners, large buyers, retailers, and distributors.

Our unwavering commitment to delivering high-quality products, professional services, and timely deliveries has earned us the trust and loyalty of numerous domestic and international customers. Notably, Xuzhou Jianmei Glass Products Co., Ltd. is capable of accommodating any customization requirements, with a minimum order quantity of just one piece.

We are eager to collaborate with you to build a brighter future together. For further information or inquiries, please do not hesitate to contact us at your convenience.

Product Controls

Specialized R&D department

In our ongoing commitment to innovation and market leadership, our company has established a robust product development pipeline that ensures we consistently introduce two new products to the market every month.

Production Line

8 production lines are automatically operated, the production capacity is increased by 30%, the production cycle is greatly shortened, and you can get the goods faster.

Strict Quality Control

From raw materials to shipment, each product needs to go through 6 layers of quality inspection, in strict accordance with the QS and ISO standard quality system, reduce your worries about product quality.

COMPANY HISTORY

2022 - PRESENT

CONTINUOUS INNOVATION AND
FUTURE OUTLOOK

Since 2022, XUZHOU JIANMEI GLASS PRODUCTS CO., LTD. has maintained an innovation focus, launching new glass product lines with a daily output of 200,000 pieces and a factory spanning 48,000 square meters. The company has increased collaboration with research institutions to develop eco-friendly and smart glass products. Committed to "quality first, customer-oriented" principles, the company aims to enhance its capabilities to offer superior global products and services, striving for a better future together.

2019 - 2021

GLOBAL EXPANSION

Over the past three years, XUZHOU JIANMEI GLASS PRODUCTS CO., LTD. has grown its international presence, entering markets in North America, South America, Europe, and Oceania. The company has built strong, long-term partnerships with Amazon store owners, major buyers, and distributors. It has also enhanced product design and services, offering tailored solutions to meet customer needs, earning high customer satisfaction.

2017 - 2018

TECHNOLOGICAL ADVANCEMENTS
AND INCREASED CAPACITY

In 2017, the company boosted R&D, launching a line of high borosilicate heat-resistant glass products. Our cola cups dominated Amazon sales, capturing 80% of dealer sales and earning market acclaim for quality. In 2018, to cater to increasing demand, the company expanded production, added advanced machinery, and doubled daily output to 60,000 pieces. It also pursued international markets, attending global glass exhibitions and forging global customer relationships.

2015 - 2016

STEADY PROGRESS

Over the past two years, the company has enhanced production processes and product quality, developed a skilled team through training, and expanded its market reach, establishing initial partnerships with domestic retailers and distributors, and gaining a foothold in the domestic market.

2014

BIRTH AND DEPARTURE

Established in Jiangsu in 2014, XUZHOU JIANMEI GLASS PRODUCTS CO., LTD., founded by ALISON, began its journey with a dedicated team, preparing production facilities and adopting advanced technology to build a strong foundation for growth.
